ABOUT US

PACKAGING REDEFINED. QUALITY DELIVERED.

— ...

Established in 2022, **PACKEDGE** is a leading manufacturer of premium paper cups and paper cup blanks, committed to delivering hygienic, food-grade, and innovative packaging solutions.

Our state-of-the-art **33,000 sq. ft.** manufacturing facility located at **Betma, Indore (M.P.)** is equipped with modern production technology and a streamlined manufacturing process. From raw material processing to finished paper cups, every stage is managed under strict quality standards to ensure consistency, reliability, and superior performance.

At Packedge, we manufacture our products using **100% Virgin Food Grade PE Coating** and **Food Grade Water-Based Inks**, ensuring every cup is safe, durable, and suitable for both hot and cold beverages.

Today, Packedge proudly serves hotels, cafés, restaurants, distributors, wholesalers, and food service businesses with dependable quality, customized solutions, and timely deliveries.

OUR VISION

To become one of India's most trusted and preferred manufacturers of premium food packaging solutions through quality, innovation, and customer satisfaction.

OUR MISSION

To manufacture world-class paper cups and paper cup raw materials with advanced technology, uncompromising quality, and reliable service while building long-term partnerships with our customers.

— FROM RAW MATERIAL TO FINISHED CUPS – MANUFACTURED UNDER ONE ROOF. —

FROM PAPER TO PERFECT CUPS

OUR MANUFACTURING JOURNEY

1 BASE PAPER

Premium Food Grade Base Paper is sourced from trusted paper mills to ensure strength, safety and consistent quality.

2 PE COATING

The paper is coated with 100% Virgin Food Grade Plastic Granules, creating a leak-resistant barrier suitable for hot and cold beverages.

3 PRINTING

Using Food Grade Water-Based Inks, vibrant and hygienic designs are printed with precision.

4 DIE CUTTING (PUNCHING)

The printed paper is converted into accurately shaped Cup Blanks (Fans) using high-precision punching machines.

5 CUP FORMING

Cup blanks and matching bottom discs are automatically formed into finished paper cups through high-speed paper cup machines.

6 QUALITY INSPECTION

Every batch undergoes strict quality checks for:

- ✓ Leak Resistance
- ✓ Cup Strength
- ✓ Print Quality
- ✓ Dimensional Accuracy

7 HYGIENIC PACKING

Finished cups are packed in a clean, hygienic environment and prepared for safe dispatch.
